

Resourceful By Nature

Small Engine Repair Reference Center **Electronic Resource**

1. You have purchased a 1995 Allis-Chalmers chainsaw (model 95) without the Service Manual. Describe the steps you would take to find the manual.
2. Describe the steps you would take to locate instructions for brake hose and line replacement for a 2007 Harley-Davidson motorcycle (FLS/FXS/FXC Softail Series).
3. List three things recommended in the tune-up process by most manufacturers of outboard motors. (Hint: you can locate this information in at least two different ways.)
4. Service manuals are broken up into parts (chapters or articles) for easy access in the Small Engine Repair Reference Center. How many 'chapters or articles' about Isuzu motors are there?
5. Locate the wiring diagrams of a Ford tractor (model 1320). How many separate diagrams are there in this article?
